\*All allegations that upon review were transferred to other jurisdictions and not managed through McGill University RIO.

\*\* Additional categories for the nature of allegations have been added over the years. So for some categories there is no history.

\*\*\* There is one dossier ongoing.

The first step following the receipt of an allegation is an inquiry conducted by the RIO by a Deputy RIO. The possible outcomes of the RIO inquiry are: (i) insufficient evidence to proceed to an investigation; (ii) admission of research misconduct; or (iii)
