You must inform yourself of University rules and regulations and keep abreast of any changes that may occur. The *Personal Information* section of this publication contains important details pertaining to nominativ

valid citizenship/immigration status. To find out which documents you must provide—and when they are required—refer to: [section 1.2.2.2: What Documents Does McGill Need from You?](#)

Some of the documents McGill requests of you help us obtain your **Permanent Code** from the Government of Quebec. This unique 12-character code is created by the Quebec Ministry of Education, and is obligatory for all students registered in a Quebec institution. If you have previously attended school in Quebec, you should already possess a Permanent Code; it can be found on your school report card or your CEGEP and/or university transcripts. If you do not already have a Permanent Code, we will request to have it created for you. Once it has been created, it will reflect on your unofficial transcript.

You can consult your tuition and legal status (including your Permanent Code) on *Minerva*. Select *Student Menu > Student Accounts Menu > View your Tuition and Legal Status*.

Note for Medicine: Once admitted to the Faculty of Medicine, you will be required to provide additional documentation for the purposes of admission and registration. Details are provided in the application instructions. For more information, see www.mcgill.ca/medadmissions/applying/elements.

1.2.2.2 What Documents Does McGill Need from You?

Follow the instructions in the first row of this table that apply to you. **Send clear, legible copies of documents (not originals).**

Quebec and Canadian Out-of-Province Students

You have applied to McGill directly from CEGEP or you already have a student record at McGill

- **Usually** no documents are required to pro

International Students

You will be in Canada for more than six months (i.e., you are enrolled in a degree, certificate, or diploma program, usually for two or more consecutive academic semesters)

- Certificate of Acceptance of Quebec (CAQ)
- Study Permit issued by Immigration Canada (Note 3)
- Permanent Code Data Form (Notes 1 and 5)

Note 1: Your signed Permanent Code Data F

- Check the phrase: *Fees currently calculated according to rules for...* This will tell you if your tuition status is currently being billed at the international rate, the Canadian rate, or at the Quebec rate. For information on fees, see www.mcgill.ca/student-accounts.

If you do not agree with your tuition status, notify McGill right away. Documentation provided to modify your legal and tuition status must be received within the given semester for changes to be applied for that semester. Retroactive tuition status updates are not permitted; requests and documents submitted after the semester has ended will be processed, with changes applied to the following semester.

1.2.2.3.2 Permanent Code

The Government of Quebec usually takes one to four weeks to verify or issue your Permanent Code.

- Check your Permanent Code on Minerva: *Personal Menu > Name Change* or alternately via *Student Menu > Student Accounts Menu > View Tuition Fee and Legal Status*. If your 12-character Permanent Code appears there, your documents are in order. If not, you have not yet provided McGill with your documents listed in [section 1.2.2.2: What Documents Does McGill Need from You?](#) or the Government of Quebec has not yet confirmed that your documents are sufficient to create a Permanent Code.

1.2.2.4 What Are the Consequences of Not Providing Your Documents?

The deadline to submit documents in support of a change to your tuition status effective for that semester is the last day of classes for that semester (e.g., December 1 for changes to be made to your tuition status for the Fall term, or April 1 for changes to be made for the Winter term).

If documents are still missing from your file subsequent to the start of the semester, a hold will be added to your record preventing you from registering or dropping any courses, and from obtaining your official transcript.

International students who have not provided their valid immigration documents to McGill may be de-registered from their courses.

1.2.2.5 Where and How Do I Send My Documents?

You must send in all your documents after you have accepted your offer of admission but before the start of classes. **Do not send originals.** Email clear and legible copies of your documents. Write your McGill student ID on each document so that McGill can match them to your record. The sooner you submit your documents, the sooner the University can update your status and ensure that your record is in order. Refer to www.mcgill.ca/legaldocuments/how for further details.

By Email:

Follow these steps to submit your legal documents electronically.

1. **Save the attached file in the accepted format : Standard PDF (.pdf).** Standard PDF (.pdf) is the only accepted format. Encrypted PDFs will not be accepted. Ensure that you save your documents properly in standard PDF—do not just rename the file extension. Due to the possibility of computer viruses, McGill does **not** accept Microsoft Word documents (.doc), hypertext files (.htm, .html), JPG, GIF, or any other format.

1.2.3 Identification (ID) Cards

As a student registered at McGill, you are required to present an ID card to:

- write examinations;
- use libraries and student services, including certain laboratories;
- access residence buildings;
- access meal plans;
- access the inter-campus shuttle bus.

The Student Identification card is the property of the University, for use by the cardholder only, and is not transferable. If you withdraw from all of your courses, you must attach your ID card to the withdrawal form or return it to Enrolment Services (or the Faculty of Agricultural and Environmental Sciences, Student Affairs Office, Macdonald Campus).

- New students must be registered for at least one course to obtain an ID card.
- You must allow for at least 24 hours after you have registered for your first course before requesting an ID card.

8. Certificate of Name Change issued by the Quebec *Directeur de l'état civil* or applicable force in any Canadian Province.

In the case of a variation in the spelling of the name among these documents, the University will use the name on the document that appears first on the above list.

Should McGill require a copy of one of the documents listed about, both or all sides of the document must be copied and presented.

1.2.4.1 Preferred First Name

Your preferred first name is a name by which you are normally addressed, and is different from your legal first name. The Preferred First Name Procedure enables students to use an alternate preferred first name for certain purposes while studying at McGill.

Students who wish to use a preferred first name should enter this information into Minerva as soon as possible in order to ensure that their preferred first name is used as widely as possible.

The preferred first name may be used on all unofficial university documents and tools, such as:

- McGill ID cards
- Class lists
- Student advising transcripts

The student's legal name must appear on official university documents, such as:

- Official university transcripts
- Reports to government
- Letters of attestation
- Diplomas and certificates

The School publishes an **Important Dates Supplement** three times a year that contains specific details on registration dates and information needed for the upcoming term. In case of discrepancy between what is published in the supplement and this publication, the supplement takes priority.

1.3.1 How to Register Using Minerva

Go to [Minerva](#) and follow the step-by-step instructions. You can register and/or make course changes using Minerva ONLY during the periods indicated in the Minerva Registration Schedule. For more information, see [section 1.3.3: Course Information and Regulations](#).

1.3.3.2.3 Effective Date for Refunds

It is solely your responsibility to initiate a course change (i.e., add/drop/withdrawal) by submitting a form to your student affairs office. Neither notification of the course instructor nor discontinuing class attendance is sufficient.

The effective date for refunds will be the date on which the official Course Change Form was completed or the date the change was made on Minerva.

Refunds are not automatically issued as a result of course changes. You must specifically request a refund in writing; otherwise, any amount owing to you as a result of a course withdrawal or overpayment will be credited to your fee account.

Note: Special rules for refunds will apply for courses of 10 sessions or less or for courses of a specialized nature. For specific details, contact the academic area.

If you are a full-time McGill degree student registered in a Continuing Studies course, the Continuing Studies course change deadlines do not apply to you; see www.mcgill.ca/importantdates for deadlines that apply to your faculty.

Refund Request

To make a request for a refund, log into *Minerva* and follow the *Student Accounts* menu.

If you withdraw from your only course, your McGill ID card must also be returned since it is the property of McGill University.

1.3.5 Late Registration

You can register late provided there are spaces available in the course after the regular registration period. The late registration period is indicated in the **Important Dates Supplement** at www.mcgill.ca/continuingstudies/registration or in *School of Continuing Studies > Getting Started > section 2.2: Key Dates, 2020–2021*. You will be charged a late registration fee whether you registered on Minerva or in person; exact fee amounts are available on the *Student Accounts website*.

 **Note for Engineering:** For most programs, courses that can be taken through the IUT agreement are restricted to specific course categories. For details, please see www.mcgill.ca/engineering/students/exchanges-study-away/study-away.

 **Note for Nursing:** You must obtain permission from the Ingram School of Nursing to register at another Quebec university for three, or in some cases six, credits per term in addition to your registration at McGill. These courses, subject to the Ingram School of Nursing's regulations, will be recognized by McGill for the degree that you are registered for, up to the limit imposed by the residency requirements of the program. Normally, you must complete a minimum residency (i.e., courses taken at McGill) requirement of 60 credits at McGill in order to qualify for a McGill degree (you should check with the Ingram School of Nursing). This privilege will be granted if there are valid academic reasons. If you want to take advantage of this agreement, please see www.mcgill.ca/students/iut for information and application procedures. The final grades earned at the host university must meet the minimum requirements as set by the Ingram School of Nursing, i.e., a letter grade of 'C'.

 **Note for Physical and Occupational Therapy:** The final grades earned at the host university must meet the minimum requirements as set by the Physical Therapy or Occupational Therapy programs.

1.3.7.2 Quebec Inter-University Transfer Agreement: Visiting IUT Students

Note for Health Sciences: This section applies only to students who are currently enrolled in a health sciences program at McGill University.

Late Payment Fees

If you have an outstanding balance greater than \$100 on your account at the end of October (end of February for the Winter term), you are charged a late payment fee according to the fee schedule found in [section 1.4.5: Other Fees for Continuing Studies Students](#).

1.4.2.1 Payment Procedures

Please see the Student Accounts website at www.mcgill.ca/student-accounts/your-account/payment for the various methods of payment available to students and their guests.

1.4.3 Tuition Fees

Tuition rates are subject to change each academic year. Please access *Tuition and fees* at www.mcgill.ca/student-accounts/tuition-fees. The annual rates of tuition and fees are updated as soon as they are known.

Note: Students who are required to submit documentation and who do not do so by the stipulated deadlines (December 1 – Fall; April 1 – Winter; August 1 – Summer) are billed at the non-Quebec Canadian or the international rate, depending on the documentation submitted. Students who are not automatically granted a fee deferral based on the University’s evaluation of their personal information at admission, and who expect their fee residency status to change within the term—contingent on appropriate supporting documentation—must contact either [Service Point](#), [SCS Client Services](#) (School of Continuing Studies students only), or [Student Accounts](#) to discuss what documentation is still outstanding to support their situation. These offices will decide if a fee deferral is warranted. No prior interest charges or late payment fines will be reversed; therefore, you should ensure your request is submitted before the first fee payment for the term is due.

1.4.3.1 Quebec Students and Non-Quebec (Canadian or Permanent Resident) Students

In accordance with provincial government requirements, students must provide proof that they qualify for assessment of fees at the Quebec or non-Quebec Canadian rates; see www.mcgill.ca/legaldocuments for details. In certain cases, non-Quebec Canadian students pay the same rate of tuition as Quebec students—for further information about these exceptions, see the Student Accounts website at www.mcgill.ca/student-accounts/tuition-fees/general-tuition-and-fees-information/tuition-fee-exemptions.

1.4.6 Other Policies Related to Fees

The following sections describe other fee-related policies that may apply to your account.

1.4.6.1 Overdue Accounts

All tuition and fees assessed by the University must be paid in full or arrangements must be made to settle the debt.

Students' accounts are considered **delinquent** if they are not paid in full within 60 days after the bill is issued. McGill places a financial hold on these accounts, preventing students from obtaining official academic transcripts and from accessing Minerva for any registration functions.

Interest: Interest is charged on overdue balances at the monthly rate of 1.24%, multiplied by the balance outstanding at the end of the month (14.88% annually). The rate is evaluated each Spring, and then is set for the following academic year. See www.mcgill.ca/student-accounts/your-account/deadlines-and-penalties/overdue for more information.

Note: You should regularly verify your account balance on *Minerva*.

The University has no obligation to issue any transcript of record, award any diploma, or re-register a student if you do not pay your tuition fees, library fees, residence fees, or loans by their due date.

1.4.6.1.1 Information for Registered Students

If you register for a term, but still owe amounts from previous terms, you must either pay your previous term account balance or make payment arrangements with the Student Accounts Office before the end of the course add/drop period. If you have financial difficulty, first contact the Student Aid Office to discuss the possibility of obtaining financial aid:

Brown Student Services Building
3600 rue McTavish, Room 3200
Montreal QC H3A 0G3
Telephone: 514-398-6013
Email: student.aid@mcgill.ca
Website: www.mcgill.ca/studentaid

If you fail to pay the previous term's fees or to make arrangements to settle your debt prior to the add/drop deadline, the University will cancel your registration in the current and subsequent terms.

1.4.6.1.2 Information for Students who are no Longer Registered

When students fail to settle their debt or reach a suitable payment arrangement, or fail to provide the Student Accounts Office with up-to-date contact information, the University refers these delinquent accounts to a collection agency. **If neither the University nor the collection agency is able to collect on the account, the University reserves the right to have the student reported to a credit bureau.** You should be aware that the University is entitled to use all legal means to obtain payment and that students are responsible for all costs associated with such actions.

1.4.6.1.3 Cancelling Registration for Non-Payment of Previous Terms

In accordance with the fee policy stated in [section 1.4.6.1: Overdue Accounts](#), if you are delinquent, the University will make all reasonable efforts to notify you if your account is delinquent, or if you owe more than \$100 from the previous term. The cancellation is effective the last day of the add/drop period unless you settle the account or make payment arrangements with the University by then. If you pay or make payment arrangements with the Student Accounts Office after the add/drop deadline and you want the University to reinstate your registration for the current or subsequent term(s), you must complete the [Request for Reinstatement](#) form (available at [th-75 G0 g15272t arrac0 1 155.576 302oR0dm0 0 1](#)).

1.4.6.4 Deferred Fee Payment for Continuing Studies Students

Students with Sponsors

If your fees will be paid by an outside agency such as the Department of Veterans Affairs, CIDA, a foreign government, or your University department (i.e., teaching assistants or demonstrators), you must have written proof of this sponsorship. Your sponsor must confirm the conditions of their sponsorship in writing on company letterhead to the University. This allows the Univ

Farm Management and Technology students, see [Faculty of Agricultural and Environmental Sciences](#) > [Undergraduate](#) > [Farm Management and Technology Program](#) > : [Academic Rules and Information – FMT](#).

1.5.1.3 Academic Standing: Faculties of Arts and Science (including B.A. & Sc.)

Your Academic Standing is based primarily on your cumulative grade point average (CGPA), but may also be affected by your term grade point average (TGPA). The Standing in each term determines if you are allowed to continue your studies in the next term, and if any conditions will be attached to your registration.

Decisions about Academic Standing in the Fall term are based only on grades that are available in January, i.e., if you have deferred examinations or Fall/Winter spanned courses, grades for those courses don't affect your Fall Academic Standing—they will only affect your Fall TGPA. Therefore, Academic Standings for the Fall term are designated as *Interim*. Note that Interim Standings do not appear on your official transcript. Consult the appropriate section of this publication for the regulations on Interim Standing decisions.

1.5.1.3.1 Satisfactory/Interim Satisfactory Standing: Faculties of Arts and Science (including B.A. & Sc.)

If you are in Interim Satisfactory or Satisfactory Standing:

- you may continue in your program;
- you have a CGPA of 2.00 or greater.

1.5.1.3.2 Probationary/Interim Probationary Standing: Faculties of Arts and Science (including B.A. & Sc.)

If you are in Interim Probationary Standing (at the end of the Fall term):

- you may continue in your program;
- you must carry a reduced load (maximum 14 credits per term);
-

1.5.1.3.3 Unsatisfactory Readmitted Standing: Faculties of Arts and Science (including B.A. & Sc.)

If you are in Unsatisfactory Readmitted Standing:

- you were previously in Unsatisfactory Standing and were readmitted by your Faculty or the Committee on Student Standing;
- you must meet the conditions specified in your letter of readmission to be allowed to continue in your program;
- you must carry a reduced load (maximum 14 credits per term) — a lower limit may be specified in your conditions of readmission;
- you should see your departmental adviser to discuss your course selection;
- you should see your Faculty adviser to discuss degree planning.

1.5.1.3.4 Unsatisfactory/Interim Unsatisfactory Standing: Faculties of Arts and Science (including B.A. & Sc.)

If you are in Interim Unsatisfactory Standing (at the end of the Fall term):

- you may continue in your program;
- you must carry a reduced load (maximum 14 credits per term);
- you are strongly advised to consult an academic adviser, before withdrawal deadlines, about your course selection;
- you should see your Faculty adviser to discuss degree planning.

If you are in Unsatisfactory Standing:

- you have failed to meet the minimum standards set by the faculties;
- you may not continue in your program, and your registration will be cancelled.

You will be placed in Unsatisfactory Standing:

- if your CGPA falls or remains below 1.50;
- if your TGPA in the Fall or Winter falls below 2.50 and your CGPA 7.52 653.2973

If your Standing is still incomplete by the end of course change period, you should immediately consult with your faculty Student Affairs Office.

At the end of the Winter term, if you have a mark of K or L, you will be placed in the appropriate Standing in June, if the outstanding mark in the course will not affect your Standing. Otherwise, Standing decisions will be made only once incomplete marks have been cleared. For more information about incomplete grades, please refer to [University Regulations and Resources](#) > *Undergraduate* >

- If you do not obtain either the TGPA or CGPA noted above, you will be placed in Unsatisfactory Standing.
- You must consult a faculty or departmental adviser before withdrawal deadlines concerning your course selection.

Students in Unsatisfactory Standing after the Winter term:

- You must withdraw from the Faculty of Engineering for a minimum of one term.

For more information about Academic Standing, see www.mcgill.ca/engineering/students/undergraduate/advising-programs/academic-standing.

1.5.1.6 Academic Standing: Faculty of Law

If you do not obtain a sessional grade point average (GPA at the end of Fall and Winter terms combined) of at least 1.50, you will be required to withdraw from the Faculty. If your sessional GPA is between 1.50 and 1.99, you will be permitted to continue with your program, but you must obtain a subsequent sessional GPA of 2.50 or a Cumulative GPA (CGPA) of 2.00. You must have a CGPA of 2.00 to be considered for graduation. Students who are required to withdraw from the Faculty may be authorized to continue in their program by the Faculty Admissions Committee if there are exceptional reasons for the required withdrawal.

1.5.1.7 Academic Standing: School of Continuing Studies

If you are in Unsatisfactory Standing, you must apply to the Appeals Committee of your academic area.

1.5.1.8 Academic Standing: Schulich School of Music

Music students, see [Schulich School of Music > Undergraduate > Academic Information > : Academic Policies](#).

1.5.2 Credit System

The faculties listed in this publication use the credit system, where each course is assigned a credit rating reflecting the number of weekly contact hours. In general, a three-credit course indicates three hours of lectures per week for one term, but this does not apply to all faculties. Laboratory contact hours usually count for fewer credits. Credits also reflect the amount of effort required of you and generally assume two hours of personal study for each contact hour.

The credit weight of each course is indicated in parentheses beside the course title.

Note: Credit for multi-term courses (courses with the suffixes: D1, D2; N1, N2; J1, J2, J3) is granted only after successful completion of all components in the specified time frame. For example, a student would hav

Note: During the first week of lectures, each instructor will provide you with a written course outline. This information should include, where appropriate:

- whether there will be a final examination in the course;
- how term work will affect the final grade in the course;
- how term work will be distributed through the term;
- whether there will be a supplemental examination in the course, and if so, whether the supplemental exam will be worth 100% of the supplemental grade, or whether term work will be included in the supplemental grade (courses with formal final examinations must have supplementals);
- whether students with grades of D, F, J, or U will have the option of submitting additional work, and, if so, how the supplemental will be calculated with the extra work (applicable only to students in Science and B.A. & Sc.).

If you require a copy of your student record, access Minerva (www.mcgill.ca/minerva) to view and print an unofficial transcript. This applies to records from 1976 to the present. For pre-1976 records, you must order an official transcript. See [section 1.5.4.4: Official Transcripts](#).

1.5.4.3 Verification of Student Records: Unofficial Transcripts

Subject to [section 1.5.8: Changes to Student Records after Normal Deadlines](#), you are responsible for verifying your academic record on [Minerva](#) using the unofficial transcript to ensure that you are registered in the proper courses, and that the correct program information and expected term of graduation appear on your record.

If you are graduating, verify your record on Minerva before the end of your final term to ensure that the correct expected graduation term appears on your unofficial transcript; if not, you may be overlooked for graduation. You should direct any questions or problems with your record to your Student Affairs Office.

Note for the Faculties of Arts and Science (including B.A. & Sc.): Requests are made at [Service Point](#) (3415 McTavish Street). However, it is important that you also see a Faculty adviser in Dawson Hall to talk about your options and the effects that your request may have on your studies. For more information, see www.mcgill.ca/students/advising.

1.5.6 Incomplete Courses for Continuing Studies

If the instructor decides there is sufficient reason to permit a delay in the submission of required term work, an extension of the deadline after the end of the course may be granted to the student. In this case, the instructor will submit a grade of K (incomplete).

Notes:

- If the instructor submits a grade of K, he or she will also indicate the date by which the student must complete the work.
- If the instructor submits a new grade within the deadline, both the new grade and the grade of K will appear on your verification forms and unofficial and advising transcript. However, the new grade will replace the K on your official transcript.
- If you do not complete the required work before the deadline, a grade of KF will be updated on your record. A KF denotes a failed course and is calculated in the TGPA and CGPA as an F.
- In exceptional circumstances, and with the approval of the Director of the unit, the deadline may be extended further, in which case the grade of KE (further extension granted) appears. If you do not meet the extended deadline, a grade of KF will replace the KE.
- All students who miss a final exam are given a grade of J. For more information regarding the J grade, see [section 1.5.5: Unexcused Absences for Continuing Studies Students](#).

1.5.7 Non-Evaluated Work for Continuing Studies Students

If you are attending a course that has an evaluation process (such as an examination or other criteria), you may choose not to be evaluated. To do this, you must complete the required form at: www.mcgill.ca/continuingstudies/current-students/student-records/grades/non-evaluated-work-ne-grades, prior to the start of the third lecture. Submitting this request will result in a grade of NE on your academic record. Under no circumstances will a course with a grade of NE (No Evaluation) count toward a certificate, diploma, or degree program. Note that only courses administered by Continuing Studies can have a grade of NE.

If you are taking a general interest course (non-program) that does not have an evaluation process, you may request to be evaluated by completing a form prior to the start of the third lecture. You can find the form at: www.mcgill.ca/continuingstudies/current-students/student-records/grades/non-evaluated-work-ne-grades. Note that this option does not apply to short courses, workshops, and seminars not included on the McGill transcript.

1.5.8 Changes to Student Records after Normal Deadlines

1.5.8.1 Student Record Changes

Student record changes include the following: course add or course drop, course withdrawal, university withdrawal, program change (including changing majors or concentrations), status change (i.e., leave of absence, exchange, or term away). They also include changes to tuition status based on the submission of legal documents.

1.5.8.2 Registrar Deadlines

Fall term – January 31
Winter term – June 1
Summer term – October 1

1.5.8.3 Before Registrar Deadlines

For record changes after the normal deadlines published in this publication, but before the [section 1.5.8.2: Registrar Deadlines](#), you must make a request in writing to your Associate Dean or Director, clearly explaining why you could not request the change before these dates. The Associate Dean or Director will review your request and make a decision. If your request is approved, the change is processed according to existing faculty and Enrolment Services student record procedures.

Note for the Faculties of Arts and Science (including B.A. & Sc.): Requests are made at

Note for the Faculties of Arts and Science (including B.A. & Sc.): Requests are made at [Service Point](#) (3415 McTavish). However, it is important that you also see a Faculty adviser in Dawson Hall to talk about your options and the effects that your request may have on your studies. For more information, see www.mcgill.ca/students/advising.

1.5.8.5 Fee Assessment Consequences

When a change to your student record is made, the revised fee assessment appears on your next fee statement.

If you want to contest the fee assessment, you must make a written request to Enrolment Services. Enrolment Services reviews the extraordinary circumstances described in the supporting documentation provided by your faculty, and consults with the Student Accounts Office if necessary, to decide whether or not to consider the request. Enrolment Services then sends you a letter explaining the decision.

1.5.8.6 Student's Citizenship and/or Immigration or Fee Exemption Status

Note that your faculty/school or Graduate and Postdoctoral Studies does not handle changes related to your citizenship and/or immigration or fee exemption status; see [section 1.2.2.1: Why Does McGill Collect Legal Documents from You?](#) You may be assessed a fee for a change requested after the submission deadline.

1.5.9 Letters of Attestation for Continuing Studies Students

You may obtain Letters of Attestation on [Minerva](#) under the Student Records Menu. You can also make a request at the Client Services Office. This letter will confirm that you are registered for the current term with the School of Continuing Studies, and will also include the following information:

- Registration load (full/part-time)
- Courses (course numbers and titles)
- Credit or CE units for each course
- Beginning and end dates for each course
- Certificate or diploma program in which the student is registered

If you require information from previous terms, you may order a transcript (www.mcgill.ca/student-records/transcripts).

Please allow 48 hours for these letters to be prepared.

For more information on obtaining a letter on Minerva, see www.mcgill.ca/student-records/proof-reg.

1.6 Examinations: General Information

Note: The University Exam Regulations governed by the University Student Assessment Policy are available at www.mcgill.ca/exams/regulations.

In addition to the University Student Assessment Policy (available on the [Secretariat website](#)) and the general examination regulations listed at www.mcgill.ca/exams/regulations, you should also consult the faculty sections of this publication for particular regulations. You will be informed of the evaluation method used in each course by the end of the Course Change period.

Every student has a right to write term papers, examinations and theses in English or in French, except in courses where knowledge of a language is one of the objectives of the course.

You are not permitted to write an examination in any course unless you have fulfilled the requirements of the course to the satisfaction of the instructor and your Associate Dean or Director. Once you have presented yourself for an examination or test, you must submit all written work to the invigilator before leaving.

You must have your valid McGill student ID card with you to write an examination. Forgetfulness is not an acceptable excuse.

You are reminded that cheating in any examination is considered a serious offence that could lead to expulsion from the University. Students are not permitted to have in their possession, or to use, any unauthorized materials during an examination. This includes electronic devices such as cell phones, iPods, MP3 players, PDAs, smart watches, and other web-access devices. Unauthorized items found on the student or desk area during an exam will be confiscated and turned over to the Disciplinary Officer.

Responses on multiple-choice examinations are normally checked by the Exam Security Computer Monitoring Program. The program detects pairs of students with unusually similar answer patterns on multiple-choice examinations. Dataral InfanM 0 m Tmv

Note for Law Students: You should also refer to the Law website for more information at www.mcgill.ca/law-studies/courses/exams.

Note for Medicine: Refer to www.mcgill.ca/ugme/policies-procedures/examinations.

Note for Continuing Studies Students: You should consult the academic sections of this publication for particular regulations.

1.6.1 Class Tests

Members of the teaching staff may give interim class tests from time to time.

1.6.2 Examination Facilities for Students with Disabilities

If you have a permanent or temporary disability, consult the Coordinator

9. Individual faculties may propose variations in these regulations to the Academic Policy and Planning Committee in order to meet their special needs.
Note for Continuing Studies: Regulation 9 is not applicable to Continuing Studies students.

1.6.4.3 Examination Conflicts for Continuing Studies Students

If you have an examination conflict, you must complete an “**Examination Conflict Form**” and return it to the *Client Services Office* for approval at least 20 days before the start of the examination schedule.

Note for the Faculty of Law: Regular supplemental examinations are available to a student who has failed a course, but who is not required to withdraw from the Faculty. Regular supplemental examinations may be written in up to two courses that do not exceed a total of seven credits together, or in any one course even if it exceeds seven credits. Supplemental examinations are written at the Law Faculty in the month of August. For more information, see *Supplemental Examinations* at www.mcgill.ca/law-studies/courses/exams.

1.6.4.5 Reassessment and Reread Policy for Continuing Studies Students

In accordance with the *Charter of Students' Rights* (available at www.mcgill.ca/students/srr/policies-student-rights-and-responsibilities), and subject to the conditions stated therein, students have the right to consult any written submission for which they have received a mark and the right to receive an explanation from the instructor or, as the case may be, the examiner.

Students also have a right to an impartial and competent reread of any written assignment completed during the course of the semester, as well as final exams. However, it is strongly recommended that students meet with the course instructor before requesting a third-party reread.

Reassessments in courses not offered by the School of Continuing Studies (SCS) are subject to the deadlines, rules, and regulations of the relevant Faculty.

Students are required to keep any material, in its wholeness and original form, as it was returned to them. A reassessment request will be refused if the relevant material is not provided in support of the request.

Grades received for course components other than written work or examinations, such as presentations and/or participation marks, are not subject to the procedures noted below. Students should meet with the instructor to address any concerns regarding these forms of assessment.

SCS recognizes four types of reassessment:

- [section 1.6.4.5.1: Reassessment of an](#)

Students must **apply in writing** by the following deadlines:

- **September 30** for courses offered in the Spring/Summer term
- **January 30** for courses offered in the Fall term
- **May 30** for courses offered in the Winter term

For English and French Intensive Language Programs, students must **apply in writing** by the following deadline:

- **2 working days*** from the date when final exam grades are posted

All deadlines are strictly enforced, and no late requests will be accepted. Whether the reassessed grade is higher or lower, it takes precedence over the original grade.

* *"Working days" means Monday through Friday.*

1.6.4.5.4 Mark Verification

In a case where a student believes that an error has been made in arriving at the final grade for a course as a whole, a **Verification of Grade** form must be completed at the *SCS Client Services* Office requesting that the instructor carry out a detailed check that the final course grade has been computed correctly.

For all courses and programs of study, the request **must be made within 10 working days* of the date on which the final grade appears on the student's transcript**. *Requests received after this deadline will not be considered.* The mark verification process should normally be completed within 20 working days* of receipt of the request by SCS Client Services.

* *"Working days" means Monday through Friday.*

1.6.5 Examinations: Invigilation (Exams from Other Universities)

Upon request, McGill will act as proctor for exams from other universities or professional accreditation associations. Exams are scheduled on weekdays at 10:00 a.m., and cannot be scheduled on evenings, weekends, statutory holidays, or McGill holidays.

Please consult the *Exams website* for complete information on fees, payment, and how to arrange for a proctor exam at McGill.

1.7 Graduation

In order to graduate, you must complete faculty and program requirements in the program you were admitted to and registered in. **It is your responsibility to meet all faculty and program requirements before graduation.**

At the time of graduation from an undergraduate degree, you must be in Satisfactory Standing with a minimum CGPA of 2.00. Some faculties may require a higher CGPA in order to graduate.

You should contact your adviser (graduate students should contact their department) early in the graduating year to make sure you will meet your program requirements by graduation time. For contact information on advisers, see www

Most undergraduate students and non-thesis graduate students (master's, certificates, diplomas) must use

1. you have completed a minimum of 60 McGill credits toward your degree; and
2. you are in the top 10% of the faculty's graduating class of students; this calculation is based on the CGPA.

Note for Transfer Students: This designation may be withdrawn if your CGPA at another university or in another faculty at McGill is not comparable to the CGPA earned in your graduating faculty.

Note for Continuing Studies Students: If you are graduating from a certificate or a diploma program, you may be awarded the designation of Dean's Honour List if you have completed a minimum of 21 McGill credits toward your certificate (residency requirement) and are in the top 10% of your graduating class (calculation based on the CGPA).

Note: The Faculties of Education, Dentistry, Law, Medicine, the Ingram School of Nursing, and the **School of Continuing Studies do not assign the designation of Distinction to graduating students.**

Note: the designation of Great Distinction is no longer awarded at graduation. Prior to September 2009, Distinction and Great Distinction were awarded at graduation according to faculty-specific regulations. You can find these rules in the faculty chapters of the *2008–2009 Undergraduate Programs Calendar* or any earlier version at www.mcgill.ca/students/courses/calendars.

1.7.6 Language Requirements for Professions

Quebec law requires that candidates seeking admission to provincially recognized professional corporations* must be able to communicate verbally and in writing in French. To demonstrate a working knowledge of French, the professional corporation requires one of the following:

- Evidence that you have completed three years of full-time instruction in a French post-primary school

- A certificate that shows you completed your secondary education in Quebec in 1986 or later
- Successful completion of a written examination set by Quebec's *Office québécois de la langue française* (OQLF). See below for more information.

If you are a registered student and are within two years of graduating with a degree that will give you access to a professional corporation, you can write the OQLF examination. You should contact Enrolment Services for an application form. Examinations take place every three months and may be attempted an unlimited number of times. Priority is given to students closest to graduation.

More information may be obtained from the *Office québécois de la langue française*, 125 Sherbrooke Street West, Montreal, Quebec, H2X 1X4. Telephone: 514-873-6565. Website: www.oqlf.gouv.qc.ca.

1.7.7 Aegrotat Standing and Degree at McGill University

Aegrotat Standing is awarded in rare cases where a student, based on serious medical or similar evidence, is unable to complete course requirements within a reasonable time, or at all.

At McGill, this designation is currently applied toward the end of a student's degree program resulting in the awarding of an aegrotat degree. An aegrotat indicator of 'Y' at graduation signifies that a student was awarded such a degree. An aegrotat degree is awarded only to students in Good Standing who have been unable to complete their degree due to special circumstances. Information on this degree designation is included only in the convocation program, and not on the transcript.

Aegrotat Standing is rarely granted at McGill University. A formal request must be submitted to the Dean of the faculty in which the student is registered during the graduating year. The approval of the Dean and the Deputy Provost, Student Life and Learning, is necessary to grant this status.

1.8 Advising and the University Mission

The Mission Statement of the University expresses the commitment to offer students the *best education available*. An essential component of this is the advising process. Academic advising takes place in many ways and locations at McGill, so it is important that you learn about the different *Types of Advising and Advisers* and how they can help you reach your goals. You should also consult the advising information provided on your Faculty's website (*Contact Information for Faculty & School Student Affairs Offices*) and on the *Academic Advising website*.

1.8.1 The Role of the Student in Advising

Your active participation in the advising process is essential for accessing the full range of academic opportunities during your studies. You must be proactive in seeking meetings with various advisers, professors, and counsellors to ensure that you receive the advice you need to formulate a personal plan of study and to meet your academic goals. While advisers are there to provide you with guidance, you are ultimately responsible for meeting your degree or diploma

requirements. It is your responsibility to learn the rules and regulations of the University, your faculty, and your program. With your cooperation, advisers and counsellors will assist you throughout your undergraduate studies.

1.12.2 McGill Writing Centre

The McGill Writing Centre (MWC) offers credit courses in academic and professional writing that may be taken as electives or to fulfil language requirements in some degree programs. In some Faculties, you need to obtain approval from your Student Affairs Office as well as from your academic adviser before you take courses outside of your Faculty, especially if the courses do not form part of your program requirements. In addition to its credit course offerings, the MWC offers non-credit courses, workshops, and individualized tutoring. For further information, please visit the MWC website: www.mcgill.ca/mwc.

1.12.4 Redpath Museum

The Redpath Museum is an academic unit of McGill University. Its mission is to foster understanding and appreciation of the diversity of our biological, geological, and cultural heritage through scientific research, collections-based study, and education. Its collections have been growing for over a century, and provide resources for research and for graduate and undergraduate education in biology, geology, anthropology, and other fields. Its largest collections include fossils from the ancient sea floor of eastern Quebec, the oldest land plants, a vast range of minerals, molluscs from around the world, Egyptian and classical antiquities, and artifacts from Central Africa. The Museum also houses research laboratories and classrooms.

The Museum welcomes McGill students and staff to visit its permanent exhibit, which presents the history of life through the ages illustrated by material from Quebec and neighbouring regions, as well as displays that feature the mineral and mollusc collections. The Museum also features a world cultures gallery devoted to cultures throughout the world, including ancient Egypt, classical Greece and Rome, Asia, and Africa.

1.13 The University

McGill University is one of Canada's best-known institutions of higher learning and one of the leading universities in the world. With students coming to McGill from some 150 countries, our student body is the most internationally diverse of any research-intensive university in the country.

1.13.1 History

The Hon. James McGill, a leading merchant and prominent citizen of Montreal, who died in 1813, bequeathed an estate of 46 acres called Burnside Place together with £10,000 to the "Royal Institution for the Advancement of Learning" upon condition that the latter erect "upon the said tract or parcel of land, an University or College, for the purpose of education and the advancement of learning in this Province"; and further upon condition that "one of the Colleges to be comprised in the said University shall be named and perpetually be known and distinguished by the appellation of 'McGill College'."

At the time of James McGill's death, the Royal Institution, although authorized by law in 1801, had not been created, but was duly instituted in 1819. In 1821 it obtained a Royal Charter for a university to be called McGill College. Further delay was occasioned by litigation, and the Burnside estate was not acquired until March 1829. The Montreal Medical Institution, which had begun medical lectures at the Montreal General Hospital in 1822, was accepted by the College as its Faculty of Medicine in June 1829. After further litigation, the College received the financial endowment in 1835 and the Arts Building and Dawson Hall were erected. The Faculty of Arts opened its doors in 1843.

Progress, however, was slow until the 1821 Charter was amended in 1852 to constitute the members of the Royal Institution as the Governors of McGill College. Since that time the two bodies have been one. It was first called "The University of McGill College" but in 1885 the Governors adopted the name "McGill University." Even after the amended charter was granted, little advance was made until 1855 when William Dawson was appointed Principal. When he retired 38 years later, McGill had over 1,000 students and Molson Hall (at the west end of the Arts Building), the Redpath Museum, the Redpath Library, the Macdonald Buildings for Engineering and Physics, and a fine suite of medical buildings had been erected.

Since then, the University has continued to grow vigorously. In 1884, the first women students were admitted and in 1899 the Royal Victoria College was opened, a gift of Lord Strathcona, to provide separate teaching and residential facilities for women students. Gradually, however, classdi, classdi, claogiden0 0 1 557.248 4

The above three colleges train students for the ministry and grant certificates for ordination but they have remitted their degree-granting powers, except with respect to the M.Div. and honorary doctorates, to the University.

1.13.3 University Government

McGill University is a corporation created by a Royal Charter granted by the Crown of the United Kingdom, a general supervisory power being retained by the Crown and exercised through the Governor General as Visitor.

The Governors of the University constitute the Royal Institution for the Advancement of Learning, a corporation existing under the laws of the Province of Quebec. In them is vested the management of finances, the appointment of professors, and other duties. Twelve of the governors are elected by the Board from amongst those nominated by its Nominating, Governance and Ethics Committee; three are elected by the Alumni Association; two are elected by Senate from amongst its members; two elected by the full-time administrative and support staff from amongst its members; two elected by the full-time academic staff; and two elected by students from amongst the student body. The Board elects the Chancellor of the University and also, from amongst its members, a chair to preside at its meetings, who may also be the Chancellor. The Chancellor and the Principal are ex officio members.

The Chancellor is presiding officer of Convocation and of joint sessions of the Board of Governors and the Senate.

The Chair of the Board of Governors is President of the Royal Institution for the Advancement of Learning.

The Principal and Vice-Chancellor is the chief executive officer of the University, appointed by the Board of Governors after consultation with a statutory committee. The Principal is, ex officio, Chair of Senate.

The Senate is the highest academic authority of the University and has control over admission, courses of study, discipline, and degrees. The regulations of Senate are executed by the various faculties and schools, which also carry primary responsibility for the educational work of the University.

1.13.4 Recognition of Degrees

The Royal Institution for the Advancement of Learning (McGill University) is a publicly funded institution and holds a Royal Charter dated 1821 (amended in 1852) as well as being incorporated under the laws of the Province of Quebec.

McGill University was a founding member of the organization that evolved into Universities Canada and remains an active member university to this day. In addition, McGill University is a member of the American Association of Universities (A.A.U.). It is also a member of the Association of Commonwealth Universities and the International Association of Universities. Its undergraduate, professional, and graduate degrees, including doctorates in a full range of disciplines, have been recognized by educational, government, and private organizations worldwide for decades.

All of McGill's degree programs are approved by the Government of Quebec.

1.13.8 Student Governance: McGill Association of Continuing Education Students (MACES)

All students registered in courses that appear on the official McGill transcript, and whose records (including from the Faculty of Education) are administered by the School, are members of the **McGill Association of Continuing Education Students (MACES)**. Students taking Continuing Studies courses, but registered in programs administered by other McGill faculties, are members of other McGill student associations. Students registered in more than one program may belong to both MACES and other McGill student associations.

MACES was founded in 1985, incorporated in 1989, and a certificate of accreditation was issued in 1990. MACES's mission is to advocate for its students' academic and social needs as well as to offer them a network where they can meet other diverse groups of students and professionals.

Additionally, the Association offers a variety of services for its members including a fully equipped computer lab, which is free for all members, Microsoft courses, as well as study, meeting, and social spaces in its building located at 3437 Peel Street, only minutes away from the McGill downtown campus. MACES also organizes and sponsors various events that provide an opportunity for students to build their social and professional network.

MACES has an ideal warm, relaxed ambiance for socializing, studying, or having a group meeting after a working day, before classes, and on weekends, a place where students are always welcome.

MACES is governed by its bylaws through the elected MACES Board of Directors. These executives are there to run the Association as well as to address students' needs with an open-door policy.

Full details of MACES services, bylaws, officers, and committees are available from the Association (telephone 514-398-4974 or visit www.maces.ca).

3.6.1 Post-Admission Requests for Advanced Standing

Students applying for Advanced Standing after the time of admission must complete an “Application for Advanced Standing” and submit it to the Client Services Office. Requests will not be considered unless accompanied by all required documentation. Please note that the evaluation process takes at least six weeks to complete. All decisions are final and may not be appealed. Students should take note of the following procedures:

1. Complete all sections of the Application for Advanced Standing.
2. Attach an unofficial copy of your transcript.
3. Attach detailed official course outline(s) (indicating textbook used, chapter/topics covered, etc.).
Note: Summary course description(s) are **not** acceptable.
4. Make arrangements for official transcripts to be sent directly from the institution where the course(s) were taken to the Client Services Office of the School of Continuing Studies.
5. If required, students are responsible for submitting any additional supporting documentation to the Client Services Office of the School of Continuing Studies.

The Application for Advanced Standing can be found online at: www.mcgill.ca/continuingstudies/recognition-prior-learning. It is also available at the Client Services Office.

3.6.2 Exemption by Examination (for Career and Professional Development Students)

The Exemption by Examination test is intended for students who do not have the requisite academic background or formal training required, but who believe that they have the requisite level of knowledge needed.

Applicants will be permitted to take an Exemption by Examination test for:

- corequisite courses to the program;
- or
- prerequisite courses that are not part of their program.

Students who successfully pass the Exemption by Examination test(s) will not have to take the course(s) for which the test(s) was taken.

Those who fail the Exemption by Examination test(s) will not be permitted to repeat the test(s); instead, they must enrol in the course(s) for which the particular test was taken.

Students may obtain relevant information from: www.mcgill.ca/continuingstudies/recognition-prior-learning. Students interested in the Exemption by Examination test should contact Career and Professional Development for further details.

 **Note:** Students who have been granted credits and/or exemptions are not permitted to register for the courses for which they have been granted credits and/or exemptions. Students applying to an undergraduate program will not be granted credits and/or exemptions for equivalent credit course(s), unless the course(s) in question were successfully completed with a minimum grade of C or better within the last five years. Students applying to a graduate program will not be granted credits and/or exemptions for equivalent credit course(s), unless the course(s) in question were successfully completed at the graduate level within the last five years with a minimum grade of B- or better.

3.7 International Students

The immigration authorities do not issue visas to students unless they are studying full-time in a recognized program. Please note that McGill University does not issue any immigration documents. Most of the programs offered by the School of Continuing Studies are designed for part-time students, but some may be taken full-time. To be full-time in a credit program you must be a citizen of a country that has a reciprocal agreement with McGill University. For more information, contact the Client Services Office.

Initial application for a Study Permit may not be made from within Canada, although subsequent renewals may be made from within the country.

Acceptance into the School's programs does not necessarily entitle a student to a *certificat d'acceptation du Québec* or Study Permit, which is issued at the sole discretion of the respective immigration authorities, nor does it permit a student to work within Canada, for which a separate Work Permit is required.

3.7.2 Immigration Procedures

Unless their studies at McGill will be completed in less than six months, all students, other than Canadian citizens and permanent residents of Canada, must obtain proper authorization from both Quebec and Canadian immigration officials prior to proceeding to Canada and/or commencing studies.

Once you receive your Admission letter from McGill University, you should start the application process for a *certificat d'acceptation du Québec* (CAQ). Once you receive your CAQ, obtaining a study permit can take **three to six months**. You should take this into consideration when making your application to the School of Continuing Studies.

Immigration authorities require prospective students to present proof of access to sufficient funds to support themselves for the period of their studies, before acceptance will be granted. Proof of a *certificat d'acceptation du Québec* (CAQ) will be required of all international students at registration. International students have the following two immigration options, depending on the length of time chosen to study in Canada:

3.7.2.1 Temporary Resident Visa (Only for Intensive English or Intensive French Language Programs)

If you are certain that you will study for less than six consecutive months, you need only apply for a Temporary Resident Visa from Immigration Canada. However, some international students may have to apply for an Electronic Travel Authorization (eTA); for further information, refer to www.canada.ca/en/immigration-refugees-citizenship/services/visit-canada/eta. Please note that a person arriving on a Temporary Resident Visa cannot study for more than six consecuti

As a founding member of *Global Alliance for PR and Communication Management*, CPRS actively participates in this confederation of the world's major PR and communication management associations and institutions, representing about 160,000 practitioners and academics around the world. 4.1.2.2.5 Exemption by Examination

In general, certificates offered by Career and Professional Development are composed of 10 courses. Some programs, however, have corequisite and prerequisite courses that must be completed by the student in order for them to obtain their certificate or diploma.

Students who believe that they have taken the equivalent of one or more of the corequisites to the program, or one or more of the prerequisite courses that are not part of the program to which they have applied, may take an Exemption by Examination test for eligible programs as deemed by the Department. Students who have failed any of the corequisite courses to the program, or any of the prerequisite courses that are not part of the program to which they have applied, are not eligible to take the Exemption by Examination test for the course(s) that they have failed.

The Exemption by Examination test is intended for students who do not have the requisite academic background required, but who believe that they have the requisite level of knowledge needed. Students who successfully pass the Exemption by Examination test(s) with a minimum grade of 55%, with the exception of CMSC 000 which requires a minimum passing grade of 65%, will not have to take the course(s) for which the test(s) was taken. Those who fail the Exemption by Examination test(s) will not be permitted to repeat the test(s); instead, they must enrol in the course(s) for which the particular test was taken. Students will be notified in writing of their test results. Test results are valid for one academic year.

Students may register for the Exemption by Examination test on the following website: www.mcgill.ca/continuingstudies/recognition-prior-learning. There is a CAD\$114.37 (non-refundable) application fee (payable by credit card) due at the time of registration. Students interested in a list of courses for which the Exemption by Examination test applies should refer to [the website](#).

For further details on the Exemption by Examination test, students should contact Career and Professional Development. Exemption by Examination tests will be held on the following dates:

4.1.2.3 Academic Regulations for Certificate Programs

Students must inform themselves of University rules and regulations and keep abreast of any changes that may occur. The Academic Regulations section contains important detailed information required by students during their studies at the School of Continuing Studies and should be periodically consulted for modifications.

4.1.2.3.1 Academic Advisers

Students who would like to take the opportunity to meet with an academic adviser may call 514-398-6200 to schedule an appointment during regular business hours. Please note this service is by appointment only.

4.1.2.3.2 Academic Standing for Certificate Programs

A minimum grade of C is required in all courses in a program, with the exception of CMSC 000 for which a minimum grade of B- is required. The only other exception is that a grade of D will be allowed in one elective course that is not a prerequisite to other courses to be taken in the program.

A maximum of three unsatisfactory grades, excluding supplementals, is permitted on the record. In this context, an unsatisfactory grade is a grade of F, J, or D in compulsory courses, and a grade of F, J, or more than one D in elective courses. Even if an unsatisfactory grade is improved by means of a supplemental examination, where available, the original grade remains on the record and counts toward the total number of unsatisfactory grades.

Students who have more than three unsatisfactory grades on their record will be required to withdraw from the program and will not be permitted to register in other courses or programs in Career and Professional Development.

In order to be eligible for graduation, students must complete all program requirements with a cumulative grade point average (CGPA) of at least 2.0, which will be computed over all courses (including supplementals and unsatisfactory grades but excluding corequisite courses) taken in the program. If a student's CGPA falls below 2.0, the student may be asked to withdraw.

Academic Standing Requirements for Special Students

Special Students, although not formally registered in a program, are expected to demonstrate seriousness of academic purpose. Special Students must meet all academic and language requirements stipulated by Career and Professional Development, and must complete all courses, including corequisite and prerequisite courses, with a grade of C or better. A maximum of three grades below C in any course offered through Career and Professional Development is permitted on the record. In this context, grades below C include the grade of D (a conditional, non-conditional pass), F (a failure), and J (unexcused absence/failed). Special Students are permitted to repeat the same course only once. Special Students who accumulate more than three grades below C in Career and Professional Development and/or whose CGPA falls below 2.0 will not be permitted to register in other courses in Career and Professional Development. Please note that even if a grade is improved by means of repetition of the course(s), the original grade remains on the student's record and counts toward the total number of unsatisfactory grades.

4.1.2.3.3 Advanced Standing and Residency Requirement

Advanced Standing

Advanced Standing may be granted to students who provide evidence of equivalent credit course(s) completed in other programs at McGill University or at another recognized university. Students should note that courses taken more than five years ago will not be recognized for Advanced Standing.

Students wishing to apply for advanced standing must complete an Advanced Standing form at the time of admission. Evaluation requests received after this time will not be considered before registration and will be delayed until the following session. Requests will not be considered unless a student has applied to a program and must be accompanied by all required documentation.

Note: The evaluation process tak: :

Admission to certain courses is restricted to students who have reached a certain level of knowledge by having completed other required work. In course terminology, this means that Course A is prerequisite to Course B if a satisfactory pass in Course A is required for admission to Course B. Prerequisite courses must be completed prior to course registration - including all courses for which deferrals (L) have been granted. Therefore, students are required to drop all courses in which they have obtained a grade of D, F, L, or J in the prerequisite and re-register for the prerequisite and corequisite as required.

The prerequisite course(s) or conditions are specified in the course description; see [University Regulations & Resources > Continuing Studies > Registration for Continuing Studies Students > section 1.3.3: Course Information and Regulations](#). Students must observe these prerequisites. If you fail to meet the prerequisite requirement, you will be denied permission to register in the course. Students unsure of their status with regard to a prerequisite must inquire at the School of Continuing Studies.

Note: Any student in violation of the above regulation may have the course in question immediately removed from their student record. Please note that this will affect course load, which may result in part-time registration status.

Required Courses

Programs may frequently comprise a number of required courses. In course terminology these represent mandatory courses that must be completed to fulfil the requirements of a program unless the student receives an exemption(s).

Complementary Courses

Programs may comprise a number of complementary courses. These are courses selected from a restricted list, a particular subject area, or a discipline. In some programs, students must include a number of these complementary courses to meet program requirements.

4.1.2.3.5 Program Corequisites

Certain programs require specific corequisites. These may be completed after admission to the program. It is highly recommended that students complete all corequisite courses for a program at the beginning of the program. Please note that all program corequisites must be completed in order to graduate from the program.

4.1.2.3.6 Course Load

All our programs are structured to be taken on a part-time basis. Therefore, students are advised to register for no more than two courses per term. If, however, a student with a special reason wishes to take a full-time load, the following conditions are applicable:

- A student would be permitted, if the schedule allows it, to register for a full load in the first term.
- If a student then has one failure, the course load will be reduced to three courses in the subsequent term.
- If a student has two failures, the course load would be reduced to tw

4.1.3.1.1 Diplomas

4.1.3.1.1.1 Admission Requirements – Diploma Programs

To be admitted to a 30-credit diploma program, applicants must have an undergraduate degree from an approved university and meet the language requirements (see [section 4.1.3.2.2: Proof of Proficiency in English](#)). Some programs have additional requirements that are noted within the description of the specific program.

Applicants who have studied outside Canada are advised to request an evaluation of their degree, called an *Évaluation comparative des études effectuées hors du Québec*, from Quebec's *Ministère de l'Immigration, de la Diversité et de l'Inclusion*. Further details can be found on the web at www.immigration-quebec.gouv.qc.ca/en/working-quebec/comparative-evaluation/index.html, or by calling 514-864-9191. This equivalency evaluation may be required along with an official transcript when applying for admission. Applicants should be aware that educational credentials obtained at non-Canadian institutions will also be assessed for equivalency with a McGill University degree. Consequently, a grade point conversion system is applied to programs that use different grading systems other than that utilized by McGill University. Therefore, any cumulative undergraduate average or Standing that is not reported on a CGPA scale of 4.0 will have to be converted to a CGPA scale of 4.0.

Please see [section 4.1.3.5: Career and Professional Development Programs with a Minimum CGPA Requirement](#) for further details on applying to a program with a CGPA below the indicated required minimum.

4.1.3.2 Academic Regulations

In general, diplomas offered by the Career and Professional Development unit comprise ten courses. Some programs, however, have corequisite and prerequisite courses that must be completed by the students in order for them to obtain their certificate or diploma.

Students who believe that they have taken the equivalent of one or more of the corequisites to the program, or one or more of the prerequisite courses that are not part of the program to which they have applied, may take an *Exemption by Examination* test for eligible programs as deemed by the Department. Students who have failed any of the corequisite

Current and prospective students who wish to take the opportunity to meet with an academic adviser to obtain information on course and program selection, are encouraged to call the Client Services Office at 514-398-6200 to schedule an appointment. The Client Services Office welcomes walk-ins during regular business hours to obtain general advising or to meet with an academic adviser.

Please note that a pre-scheduled appointment is preferred so we can better address your queries and prioritize your appointment over walk-ins. Learners are recommended to contact Client Services well ahead of admission deadlines and registration peak periods for assistance, as academic advisers have a high influx of learners during those periods and the wait time may be longer.

4.1.3.2.5 Advanced Standing for the Diploma Programs

Students transferring to McGill University from another university may be awarded Advanced Standing of up to 30% of the courses in any one degree program for successfully completed equivalent **graduate-level** courses with a minimum grade of B- done at another recognized university within the last five years.

Students who apply for admission to a degree or diploma program after having completed a certificate program may be granted Advanced Standing at the discretion of the Associate Dean of the faculty in which the degree or diploma is offered.

Please consult [School of Continuing Studies > Getting Started > Admission Requirements > Special Student Status > section 3.8.2: Graduate Courses](#) for information pertaining to Special Students.

Diploma in Management

This Graduate Diploma in Translation provides academic training in translation at the professional level.

4.7.3.3.4.1 Graduate Diploma in Translation: General Academic Requirements

****This program is currently closed for admission.****

General Academic Requirements

The Diploma Program is divided into three (3) major constituent parts. The first part consists of the required courses; the second of the complementary courses; and the third of the comprehensive evaluation through the presentation of a student portfolio.

Students must successfully complete six (6) required courses. In addition to the required courses, Diploma candidates must choose four (4) complementary courses in the option of their specialization. Students in the Spanish option must take CCTR 523 *Text Revision in Spanish* from the required courses as well as a minimum of three (3) complementary courses from the Spanish language section. Students with proficient knowledge of a third language may take one (1) course (3 credits) from the list of third language courses in translation offered in the certificate program. However, students in the Spanish option of the diploma program do not qualify to take the Spanish courses in the Certificate in Translation program for credit.

Upon completion of the academic program, students will present a comprehensive portfolio of their accomplishments for evaluation. Under the guidance of an adviser, students will prepare for this purpose a "best work" portfolio of the courses taken throughout their program. Based on the information gathered over the duration of the program, students will explain their progress and place the relevance of each of their courses into perspective. The "best work" portfolio provides students with the opportunity to show work done in their third language.
